

SKATING INSTRUCTORS FOR OUTDOOR ELEMENTARY SCHOOL

SKATING PROGRAMS

The Anchorage Skate Club, a 501(c)(3) charity organization, is looking for motivated, enthusiastic skating instructors for our innovative outdoor ice skating and sport programs beginning in late November and continuing to early March. Since 2011, our programs have provided skating skills and outdoor fun for thousands of kids in Anchorage, and we would love to have you join us!

Our ideal instructor is someone who enjoys working with young people ages 6-12 in an outdoor environment, understands that kids are not miniature adults, and has at least basic ice skating and instructional skills.

First aid certification, as well as coaching or skating instructional certification, such as USA Hockey, USFSA, PSA, ISI, etc. would be an asset. Instructors need to have transportation and be able to function effectively and cooperatively in an outdoor winter teaching environment. **Candidates will need to be able to pass a background check.** This position entails 2 hour time blocks, 1-4 days/week in the afternoon (typically 3-5 pm), and some lifting and walking on icy and slippery surfaces. Hourly payment rate is dependent on experience, beginning at \$15/hour. Please forward your resume, a brief personal biography including sports and teaching experience, and contact information to us via email below. Please note that only candidates selected for interviews will be contacted.

Please submit your resume to: anchoragekiteclubinstructors@gmail.com

For further information contact: Program Director, John Monroe 907-538-7667.
